

As to claims 121-123 (now categorized as part of Invention II), Applicants submit that these claims should be added to Invention III inasmuch as they are each dependent upon claim 120, which has been categorized in Invention III.

As to claims 75-89-93-102, 107-109 (Invention I), claims 90-92, 103-106 (remainder of Invention II), claims 127, 129-134 (Invention IV), and claim 128 (Invention V), Applicants respectfully traverse the restriction requirement. Each of these claims are related to the same subject matter as elected Invention III (claims 110-120 and 124-126), and can thus be searched without any undue burden.

Early passage to issue are respectfully requested. If there any unresolved issues regarding the restriction requirement and Applicants response thereto, Applicants request a telephonic conference between the Examiner and Applicant's attorneys named below in an effort to expedite the examination of this application.

No additional fees are believed due herewith. However, the Commissioner is hereby authorized to charge any additional fees to Deposit Account No. 50-0540.

Respectfully submitted,
